TREASURER'S REPORT: Account balances were briefly discussed due to Lucy Ferrara being absent.

MINUTES OF PRIOR MEETING: March minutes were approved by all in attendance.

DISCUSSION DETAILS:

• Bottle/Can Drive Results

The Bottle/Can drive on 4/9/11 was a success for the High School Baseball program. It made \$239.

• Spring Concessions

Terri Nunez will be doing concessions for home Varsity Baseball/Softball games. She'll set up a small table on the 3rd base line and **Sandy Allen will get her a money bag**. Someone will be able to let her into the Booster Room/Field House for food/drinks.

Tom Edwards volunteered to do some of the home Track Meet concessions.

• May 31st Field House Grand Opening

Jeff Augustine suggested that the event start at 4 PM with recognition of the New Field House and all of the volunteers that have been a part of the process. Volunteers will gather on the field during their recognition and this ceremony will conclude just before the National Anthem is played. The Track Meet will begin at 4:30 PM. 11th and 12th Grade students could be available, as guests, to give Field House tours. **Mr. Pawlewicz could be the announcer that day and Jeff will ask him about this.**

Tina Henry mentioned that maybe the volunteers could wear "staff" t-shirts and that she'll check into this.

Food deals will be discussed at the May meeting along with whether or not we want to serve cookies and punch as complementary.

The brick patio will have an unveiling at this event so we'll need to have order forms available since it will spark interest. **All etched stones will be put into place before the 5/31 Grand Opening.**

Cabinets and countertops have been delivered. They are in the Field House needing to be installed. The cabinets cost \$960 through Rynone Manufacturing. Tom Rynone donated the granite window sill counter tops and laminate counter top to cover the island cabinets. Tom added that we can attach handles to the cabinets that would allow for a lockable bar to go through them for security.

Matt Carney suggested to Tom that we install a 4-outlet strip with breakers in the Concessions area. Terri asked about us having an oven in the Concession area and whether we'd be able to use a residential vent that wouldn't be as costly. Sandy asked if the exhaust could be on the exterior wall and Jay Dunham answered that it would have to go up through the ceiling due to the public restrooms.
