SUMMARY:

The meeting was an informal gathering at the current Sports Boosters Concession Buggy to discuss the proposed future Field House and the placement of space to be used by the Sports Boosters. The meeting was called to order at: 6:40 PM by Co-Presidents Sandy Allen and Tom Edwards.

Meeting Adjourned: 7:08 PM

Next Meeting: Monday, August 13, 2007

Location of Next Meeting: Newfield High School Room 109

TREASURER'S REPORT: Given by Lucy Ferrara and approved by all in attendance.

MINUTES OF PRIOR MEETING: No minutes were recorded.

MAJOR TOPICS OF DISCUSSION:

- See below

OLD/ NEW BUSINESS:

- New Field House/Concession Space
- Golf Tournament

DISCUSSION DETAILS:

• New Field House/Concession Space

The proposal has been approved for a new Field House. At the last School Board meeting it was suggested to keep the current Field House for storage after the new structure is completed. The Sports Boosters Sub-committee that attended the Board meeting discussed placement of the structure into the hill at the flagpole end of the field. The Board already had their own ideas for placement of the new structure but hadn't decided what they wanted to do. Decisions will be made on the new structure placement and on what to do with the current Field House at the next Board meeting on 6/21.

Tom Edwards suggested enlarging the restroom space in the current building and adding an extra locker room to the new structure. The locker rooms would be used by Modified, Varsity and Visiting Football teams in the Fall, Track teams in the Spring, and Soccer teams would use the School. The locker rooms would have lockers/locks and visiting teams, etc. wouldn't have access to locked items.

The Sports Boosters Sub-committee also suggested to the Board that the new structure could be placed end to end with the current building, with a walkway in between them. In this case, concessions would use space at the end nearest to the field. The current building is 36' wide by 62' long and the new structure would be a little wider and 74' long.

**NEWFIELD BOOSTER CLUB MEETING - MONDAY, JUNE 11, 2007 AT 6:30 PM
NEWFIELD HIGH SCHOOL – BOOSTER BUGGY**

SVE offered to buy our Booster Buggy and this option could be pursued in the future. Tom Edwards asked if the Booster Buggy could possibly be moved to a better location to be used for Baseball and/or Softball. Would it be worth the expense?? Sandy Allen mentioned that Bill Hurley may not want us to keep it since he's suggested clearing away all of the portable buildings. The end of the "home" Baseball dugout could house the concession cart since it has electricity and the power pack could be used for the cart at Softball games.

The new Field House structure is projected to start construction in the Summer of 2008. It will also house 2 offices; 1 could possibly be a training room instead of a "visitor" office. The concession area in the Field House will be approximately 12'x24' with a 2' wide counter and a 12'x12' storage area. The Booster Buggy is 16'x8' so the new space will be a great improvement. The driveway to the field/track would be reworked for access by ambulance/etc. A removable barricade in the driveway is shown on the current plans.

It was suggested that the locks on the new concession area should be different than the "main" locks that coaches would have access to. Linda Poppleton mentioned that security will need to be addressed (i.e. auto lights/web cam/etc.). We can hopefully seek donations from maybe IC and/or Best Buy.

The Sports Boosters drive will be to finish off the inside of the new Field House concession area that of which would most likely cost above the \$300,000 of allocated monies.

• Golf Tournament

Linda Poppleton made note that a photographer will come and take pictures of each team entered in the Golf Tournament. Each participant will receive a team picture that will be placed in a beautiful silver frame engraved with Norm Wall Memorial Golf Tournament 2007.

The meeting adjourned at 7:08 PM. All in attendance were in favor.

**The next meeting will be held at 6:30 PM on Monday, August 13, 2007 in
Newfield High School Room 109.**
