DISCUSSION DETAILS:

• Concession Sign-Up

Sandy passed out the concession sign-up sheet. She mentioned that set up will need to take place at 4 PM and workers for the JV game should be there around 5 PM since the games start at 5:30 PM.

Betsy Edwards pointed out that Modified Sports start this week and asked if we'd like to do concessions. Games are at 4:30 PM. She's spoken to Ray Rawn about bringing the concession cart down to the Elementary School from the Field House. He's agreed to bring it down and put it back stage in the Upper Gym where it'll be plugged in. **Sandy will ask Linda Poppleton about a large quilt that had been used in the past to cover it up.**

• Senior Class Raffle

Betsy spoke on behalf of David Olmstead about this fundraiser. The Senior Class would like to raffle off a stained-glass Trojan window decoration. Sandy suggested that they sell raffle tickets at several games.

• Wilcox Building Specialties, Inc.

Tom Edwards introduced Charles Mullins, from Wilcox Building Spec, for his presentation of their company and products. Past quotes on Penco lockers, from Neal Wilcox, were discussed since he'd represented Wilcox previously. Various options and prices were discussed. Charles gave a lot of information and advice. He suggested that we'll want to order lockers by June, 2009 if we'd like them in place for the Fall. He'll be in contact with us with a quote for plastic lockers.

Tom suggested that we invite Bill Hurley to the next Booster meeting to confirm what the Booster Club responsibilities are for the New Field House. After we obtain that "concrete" information then we'll send a compiled list to Wilcox for a complete quote. If it's an attractive quote then we'll place the order for products.

Sandy will email Bill Hurley to invite him to the next meeting; and to follow up on his meeting with Barbara Lifton.
