**DISCUSSION DETAILS:**

**NEWFIELD BOOSTER CLUB MEETING HELD ON MONDAY AUGUST 8, 2005  
NEWFIELD HIGH SCHOOL ROOM 109**

**OLD BUSINESS:**

**Removal of Spectator Buses from the Bylaws**

At the last meeting a vote was taken to remove the spectator buses from the Bylaws. Linda will get Gigi a copy of the Bylaws so that they can be retyped and posted by the end of August.

**Check for the basketball team trip to Glens Falls**

The school has given the BC a check for \$650.00 from the trip to Glens Falls. This money will be earmarked for this years basketball team.

**New shelter tent for sporting events/concessions**

Linda Poppleton ordered the new shelter 10x15 with the Trojan logo on it. It was received in July. The first back was not screenprinted, they sent us a new one. Linda noticed that the top inside looks like the green from the screen printing may have ran, she contacted them, they said if we were not satisfied they would make a new one. We decided to keep the shelter as it is.

**Umbrellas**

Umbrellas will be here by September 1- start preselling.

**Golf Tournament**

The golf tournament was Tuesday June 28<sup>th</sup> at the Elm Tree Golf Course located between Dryden and Cortland. There were approx. 34 teams signed up this year. We spoke about possibly ordering a computer program that would tally scores, ect., so that one person is not trying to enter and figure the scores. Also Mitch made the motion to take some of the proceeds from the golf tournament and put it with the BC scholarship fund. All were in favor.

**NEW BUSINESS:**

**BC Scholarship**

Dustin James and Taryn Goodwin received this years BC scholarship awards. It was voted to hand out this award at graduation and to rename the scholarship: NORM WALL/BOOSTER CLUB SCHOLARSHIP AWARD. All were in favor. The minimum of the award will be \$250 per individual with more added from the golf tournament. **This years award will be \$500 per individual.**

**Participation in Town-wide yard sale**

Does the booster club want to participate in this sale and sell out the old merchandise???? Here was not enough interest in those that attended the meeting to participate.

**NEW BUSINESS CON'T.:**

**NEWFIELD BOOSTER CLUB MEETING HELD ON MONDAY AUGUST 8, 2005  
NEWFIELD HIGH SCHOOL ROOM 109**

**Need a Record Book for Team Accounts**

We need to keep track of team accounts in a separate book. Lucy will take care of this.

**Clean the Booster Buggy**

The buggy needs to be cleaned before the first football game on September 10. The youth football mothers have volunteered to do this. Linda is going to talk to Robin Wood about ordering rolls for the games from the school, so that we don't have to worry about buying them and keeping them from getting squashed.

**Ideas for items for fall sports**

Some items will be hats, sweatshirts, t-shirts with Newfield Trojans on them – these will be a lower cost item so that we have something \$10.00 or less for people to buy. Sports Calendars were brought up. Linda will contact Richard and tell him that we need to settle up with us by August 31 in order to continue to advertise. She is also going to advise him of the Youth football weigh in day on September 11. <**post meeting note** – we received a check for \$75 from Richard at Weshootsports Photography and he has agreed to provide whatever photos we need for the calendar.>

**Old Home Days**

It was voted by those in attendance that we would not participate in this years Old home days. We will be writing a letter to the committee and letting them know that when they change the date back to when there is a home football game, we would participate again. <**post meeting note:** the sports schedules are not out when the OHD sets up their dates. OHD/varsity game coordination is not always possible per W.

This form has been filed with the school for the up coming year.

**Newfield Sports Website**

Need people to help. Linda is going to talk to Jeff A. and Rick P. about the possibility of a Jr. or Sr. student to help with this website. If there is not interest, the website may be dropped.

Mitch made the motion to adjourn the meeting at 7:31 and all were in favor.
