Letter from Sue France

We received a letter from Sue France informing us of who the recipients of this years Booster Club Scholarships will be. She asked that it not be given out, due to the individuals will not know until graduation.

Participation in Town-wide yard sale

Does the booster club want to participate in this sale and sell out the old merchandise? This would be a great way to clean out the storage closet and make room for the new fall items. The date is sometime around August 27. The thought was maybe to run it from 10:00 until 2:00 and sell hot dogs and drinks along with the merchandise at the bank again. Nothing was decided, we will discuss, as time gets closer.

Mitch made the motion to adjourn the meeting at 6:55 and all were in favor.
