MAJOR TOPICS OF DISCUSSION:

OLD BUSINESS:

- Record Book for Team Accounts
- Scholarship increase and coach nomination letters were approved by the school board and we received a letter of thanks from them.
- Update on baseball field and dugouts
- Planning for replacement of varsity field concession trailer-school board approved.

NEW BUSINESS:

- Newfield Community Center Initiative-explanation by Shira Adriance. Meeting Dec. 13, 2005 at 7:00 P.M. at the Newfield Fire Hall
- Need more people to sign up for concessions
- Newfield Old Home Days Committee would like us to participate in a Chili Cook-off at the Fire Hall sometime in February. Discuss how we could be involved.
- Newfield Sports Calendars have been completed and are for sale. We did a trial run of 50 calendars to get started and estimate the cost of production. Need to sell them everywhere we can between now and the first or second week of January. (Christmas Presents?)
- 50/50 Raffles for basketball. We need guidelines if we are going to allow others besides BC to do it. Just sports organizations? Any student organizations? Just BC?
- Projection system for basketball games – who will run it and for what games.....

**NEWFIELD BOOSTER CLUB MEETING HELD ON MONDAY SEPTEMBER 12, 2005
NEWFIELD HIGH SCHOOL ROOM109**

DISCUSSION DETAILS:

OLD BUSINESS:

Record Book for Team Accounts

This was taken care of at the September meeting.

Scholarship increase and coach nomination letters were approved by the school board and we received a letter of thanks from them.

Received a Thank you from the school board regarding the scholarship increase and name change. They have approved the letter of nomination and should be passing it out to the Varsity coaches so that if a coach would like to nominate a student, they can do it during that season, not wait until the spring and try to do everything at once.

Update on baseball field and dugouts

This was tabled until the January meeting due to Jeff Augustine not being at the meeting. There was concerns of the dugouts not being finished and the winter weather.

Planning for replacement of varsity field concession trailer-school board approved.

Board of Education is in favor of this project. There will be a grant for Capital Improvements for next year possibly. We probably won't get a new building for at least 2 years, however, we can start planning and raising money for this project. The new concession will also have some storage for the school, so that they can eliminate some of the current structures currently being used.

NEW BUSINESS:

Newfield Community Center Initiative-explanation by Shira Adriance. Meeting Dec. 13, 2005 at 7:00 P.M. at the Newfield Fire Hall

Shira Adriance attended the meeting to inform us of what is happening with the plans for the current Fire Hall to be used as a Community Center. She passed out a brochure that gives information on what the Newfield Community Center Initiative is and what has been accomplished so far. They realize that the community is very supportive of this, and they are doing some feasibility assessments. She encourages all that can attend meetings, to do so and show their support.

Need more people to sign up for concessions

Have some slots still open for people to sign up to help with concessions. Linda will be adding an additional space for help for either merchandise, 50/50 raffles, ect.

NEW BUSINESS CON'T:

Newfield Old Home Days Committee would like us to participate in a Chili Cook-off at the Fire Hall sometime in February. Discuss how we could be involved.

After a discussion of how we could be involved, it was voted that if an individual was interested in participating in the Chili Cook-off we would help them with supplies. It was mentioned that Jay Dunham is a very good Chili cook. We will contact him to see if he is interested in participating.

Newfield Sports Calendars have been completed and are for sale. We did a trial run of 50 calendars to get started and estimate the cost of production. Need to sell them everywhere we can between now and the first or second week of January. (Christmas Presents?)

Linda did a great job setting up the calendars. We will be selling them for \$8.00 each or 2 for \$15.00.

50/50 Raffles for basketball. We need guidelines if we are going to allow others besides BC to do it. Just sports organizations? Any student organizations? Just BC?

Bruce Hunter has done them in the past, however the concessions seem to be busier and we really need someone to run the 50/50. For the remainder of the 2005-2006 school year, we will set a table up in the café. And try to get people as they come in the door. For the 2006-2007 school year we will work on some guidelines for letting others run the 50/50 with Booster Club to earmark the money raised for the group running 50/50 that night.

Projection system for basketball games – who will run it and for what games.....

Booster Club was approached about the projection system for the basketball games. Sandy told them that it is the school's obligation to take care of this.

Received letters for Shelby Tallman, Courtney Nunez, and Sierra Yapple for help with the soccer invitations that they received to play in Europe this spring. It was agreed that each would receive \$250.00 payable as the last payment.

Sandy made the motion to adjourn the meeting at 7:22 PM, all were in favor

NEXT MEETING: MONDAY JANUARY 9, 2006 AT 6:30 PM, ROOM 109 IN THE HIGH SCHOOL.
