**Treasurer's Report:** Given By Linda Poppleton; All were in favor

**Minutes of April meeting:** Given by Gigi Fields, Barb made the motion to accept the minutes as read, Linda seconded the motion and all were in favor.

**MAJOR TOPICS OF DISCUSSION:**

**OLD BUSINESS:**

- Baseball dugout roof? Projected completion date for the field?
- NYSSMA Concession – Sharon Powell want to know if we want to do the same thing we have done in the past 2 years (split concession with FAB). Any volunteers to head this up?
- Request for financial assistance with an AAU Team – Matt Ruger
- Concession building plans – The district is currently accepting RFP's from architectural firms and will interview, and select an architect in late July. At that point the planning will begin in earnest with the goal of a project vote in the spring. Construction and renovation activities would take place in the 2007-08 and 2008-09 school years.

**NEW BUSINESS:**

- "Old" request from track team (2 years ago) for pit extensions – revisited  
This was approved 2 years ago and then put on hold until ????
- New request from athletic director re-weight room equipment
- New request from athletic director re- cameras
- Concern expressed by members over lack of use of video equipment already purchased

**DISCUSSION DETAILS:**

**Old Business:**

- Baseball dugout roof? Projected completion date for the field?  
Still some finish work to be completed, Steve Maki said he would take care of.

- NYSSMA Concession – Sharon Powell want to know if we want to do the same thing we have done in the past 2 years (split concession with FAB). Any volunteers to head this up?  
There was scheduling conflicts with Booster Club, so Betsy Edwards did this to help with the senior class. She went to Sharon Powell and asked for 60% of the profits instead of 50%. She went along with that .

**Old Business Cont.:**

- Request for financial assistance with an AAU Team – Matt Ruger  
The Booster Club reimbursed the Rugers for the \$250.00 for Matt. He had to have the money paid back in March. We informed them, that we voted to give him the money once the letter of recommendation from the coach was received. In light of the problem that arose, Linda put on the website that this could take a few months to receive the money, and to direct anyone that asks about financial assistance to the website, where all the information is posted.
- Concession building plans – The District is currently accepting RFP's from architectural firms and will interview, and select an architect in late July. At that point the planning will begin in earnest with the goal of a project vote in the spring. Construction and renovation activities would take place in the 2007-08 and 2008-09 school years.

### **New Business:**

- "Old" request from track team (2 years ago) for pit extensions – revisited  
This was approved 2 years ago and then put on hold until ????  
These pit extensions are required by the new rules by the state. These are required to hold the pole vault event and be able to be scored. These kits cost approx a few thousand dollars to purchase. Bruce made the motion to allocate up to \$2500.00 for the pit extensions pending approval from the Board of Education and what they actually cost. Lori seconded the motion and all were in favor.
- New request from athletic director re-weight room equipment
- New request from athletic director re- cameras  
We received a memo from the Athletic Director requesting money for the above mentioned items. In regards to his letter, we decided that until we had further information and questions answered this would be tabled. Linda Poppleton is going to write up a letter addressing our (Booster Club) concerns and questions. This will be addressed to all in favor of what he has asked for. We will try to meet with him as soon as possible to go over the questions regarding the weight room and try to hold a special meeting to discuss and vote on this, so that if so they can purchase equipment over the summer.
- Concern expressed by members over lack of use of video equipment already purchased  
This will be also included in the memo that Linda writes.

The meeting adjourned at 7:40 P.M. : all were in favor

The next Booster Club meeting will be Monday August 14, 2004 at 6:30 P.M. in Room 109 in Newfield High School.
