Concession building plans

Linda sent an email to Mr. Hurley as of the meeting she did not hear anything back. We will put it in the minutes as soon as she gets the information. Tabled until next meeting.

UPDATED INFO: The District plans to accept a proposed contract with an architectural firm at the meeting of September 21. The hope is to plan a project that will go to the voters some time next spring. If approved, some work could begin in the summer of 2007, with the remainder taking place in the 07-08 school year. The project will be primarily to replace roofs at the elementary and high school, replace windows at the high school, and address a number of other items that have been asked for, which include a permanent booster buggy replacement/ athletic storage, track surface replacement, and possibly a fitness center.

NEWFIELD BOOSTER CLUB MEETING HELD ON MONDAY SEPTEMBER 11, 2006 NEWFIELD HIGH SCHOOL ROOM 109

Golf Tournament

It looks like we made approximately \$5,500.00 on the tournament. Linda made the motion to keep the scholarship at \$500.00 for a total of \$1,000 (1 boy scholarship, 1 girl scholarship). A motion was also made to put \$700.00 into the Wall children scholarship fund. All were in favor of both motions.

OLD BUSINESS CONT:

UPDATE ON WEIGHT ROOM EQUIPMENT:

Jeff Augustine has said that we are now at the installation phase. The school needs to set up a time to have this done, it is expected to be done by the end of September.

In regards to the weight room, Sherri Dunham brought up some concerns that have been asked by community members concerning the Weight Lifting Tournament, and what will be done to make sure things are not taken. Jeff stated that the use of facilities is different than a use of equipment, and that things will be put up so that they will not come up missing.

MODIFIED UNIFORMS:

Sandy received quotes from the following business with their prices in regards to the modified uniforms: Pals \$32.00 ea.; Watkins \$31.00 ea.; Graphtex \$27.00 ea.

Sandy felt the most comfortable with using Watkins, they were upfront with her on information and the school is ordering the Varsity uniforms there also. Motion was made to order 80 uniforms at a cost not to exceed \$32.00 ea. Sandy will order the uniforms. All were in favor.

NEW BUSINESS:

Need people to work 2 soccer games and merchandise table for Old Home Days

We still need people to work for the soccer games: The girls soccer game is scheduled for 1:30 pm; the boys soccer game originally scheduled for 11:00 has been changed to following the girls game – approx. 4:30. Linda will have this posted.

New Merchandise:

We have zip up hooded sweatshirts, regular hooded sweatshirts, and spirit beads.

Membership

Betsy Edwards brought up a good point, we need to get some new members involved. Linda was doing a flyer to put out at the High School Open House. Some other ideas were to contact people directly. Jeff Augustine is going to get Linda a list of the freshman class with addresses to we can do a mailing.

The next meeting date is a school holiday

We decided that seeing how we are trying to build our membership, we would move the meeting to the 3rd Monday for October.
